

COMMEMORATION OF 75TH ANNIVERSARY OF QUIT INDIA MOVEMENT

The Quit India Movement was an important milestone in the Indian Freedom Struggle. Under the leadership of Mahatma Gandhi, people from across India, in every village, city, transcending all barriers came together with a common mission-to uproot imperialism. Five years after the Quit India Movement, India attained freedom on the 15th August, 1947. As the nation will be observing 75th Anniversary of the Quit India Movement this year, five years from now i.e. on August 2022, we will complete 75 years as an independent nation.

SANKALP SE SIDDDHI

The five year period from 2017-2022 gives us a unique opportunity of "Sankalp" to "Siddhi" towards a "New India". Hence, 15th August 2017 be celebrated as Sankalp Parva" or "The Day of Resolve" and in 2022, our nation will certainly transform that resolve into "Siddhi" or "Attainment". This five year period will ignite the transformation that will create an India, which our freedom fighters will be proud of.

As such, let us work together, in the same spirit as lakhs of Indians did during the five years period from 1942-1947. May the month herald the birth of a new mass movement – "Sankalp Se Siddhi – Attainment through Resolve", from the 9th of this August.

MANN KI BAAT

During 'Mann Ki Baat' programme, our Hon'ble Prime Minister had said:

"In this month of August, the month of the Quit India Movement, let us come together and resolve: Dirt-Quit India, Poverty-Quit India, Corruption-Quit India, Terrorism-Quit India, Casteism-Quit India, Communalism-Quit India".

In this spirit, let us take a pledge to become a Builder of New India.

Let us also encourage others to do the same
